Dear CHIEF EDITOR

JOURNAL OF ANIMAL BEHAVIOUR AND BIOMETEOROLOGY
An International Journal

Subject: Submission of manuscript for publication in JABB

Happy greeting from Indonesia!

Hope, this mail does not disturb your busy activities.

In this moment, we would like submit our research article. Therefore, we are enclosing herewith a manuscript entitled "**Temperature effect on the maximum swimming speed of jack mackerel *Trachurus japonicus* through muscle contraction monitoring**" at attachment file.

With the submission of this manuscript we would like to undertake that the above mentioned manuscript has not been published elsewhere, accepted for publication elsewhere or under editorial review for publication elsewhere. we would also like to undertake that we have read the plagiarism Policy of Fisheries Research Journal available on its website and submitting my article with complete responsibility.

We expect this article is sufficient and feasible and could be published at the journal of animal behaviour and biometeorology.

Thank you very much for your kind attentions and cooperation.

My best regards,

Dr. NOFRIZAL

Title: Temperature effect on the maximum swimming speed of jack mackerel *Trachurus japonicus* through muscle contraction monitoring

Dear Dr. Nofrizal,

I am pleased to inform you that your above-mentioned article **is accepted for publication** in the *Journal of Animal Behaviour and Biometeorology*. We suggest some corrections at the end of this email and in the attached file.

Your article is already mentioned and a PDF file appears on our website: <https://www.jabbnet.com/accepted-articles>

Please reply to this email as soon as possible with the **payment method** of your chosen publication fee. See more details at <https://www.jabbnet.com/guide-for-authors>

This payment must be made until **April 13, 2020**.

Please send us the revised article by April 20, 2020. Your article will be published in the next issue.

We await your contact.

Best regards,

Dr. João Souza-Junior

Editor-in-chief

www.jabbnet.com

Reviewer 1

The article presents an interesting approach to the effect of temperature on the swimming speed of *Trachurus japonicus*.

Please rewrite the Abstract for a better understanding. Some sentences are barely understandable. You should also have fewer numerical results in the Abstract. In addition, include the Aim of the work in the Abstract.

The rest of the article is well written and worthy of publication.
