Dear Dr. Joao Souza-Junior

Editor-in-chief Journal of Animal Behaviour and Biometeorology

Hope this mail does not disturb your busy activities.

With this letter, I inform you that there is an error in writing the date of an accepted journal entitled "Analysis of reproduction and spawning season of glass catfish *Ompok hypophthalmus* (Bleeker): case in lakes in Buluh Cina Village, Riau, Indonesia" volume 8: 95-103 publish online on February 03, 2020.

The article was wrote "Received: December 12, 2019" and "accepted: January 14, 2019". This is very strange. Probably it should say "Accepted: January, 2020".

Therefore, I need a letter of clarification regarding the writing of this article. I really need a letter of clarification for my promotion in the ministry of education and culture in my country, Indonesia.

I am waiting good news from you as soon as possible.

My best regards

Dr. NOFRIZAL
